

**Please read the following terms and conditions  
carefully before signing the declaration at the bottom of the page**

Terms and Conditions

1. You are undertaking a parachute jump in order to raise funds for a charity and wish your costs to be recovered from sponsorship raised, you must agree to raise the minimum amount of sponsorship money as stated by that charity.
2. The required deposit of £50 must be paid when booking and is non-refundable. The balance as notified is to be paid prior to your jump. Failure to do this may result in you losing your deposit.
3. If, for bad weather, or any other reason, you are unable to jump on the agreed date, you should arrange an alternative date with the parachute centre.
4. In return for your booking deposit, Skydive Safety will make the arrangements necessary for you to undertake the parachute jump of your choice.

Insurance

5. Having paid Skydive Safety the balance of the cost of your training and parachute jump, you will then be covered for Liability Insurance. This insurance does not cover you for personal injury or death and we recommend that you make your own arrangements to acquire insurance cover for personal accidents.

Medical Requirements

6. To make any parachute jump or skydive, you must be at least 16 years of age. If under 18 years of age parental / guardian written permission is required in addition to parental / guardian signature on the 'declaration of fitness' form or the 'student tandem parachutist declaration of fitness' form. Failure to produce this to the Parachute Centre will mean that you are unable to jump. If aged over 40 you must have the 'declaration of fitness form' or the 'student tandem parachutist' form (for tandem parachute jumps only) signed and stamped by a GP. This form is included in the information pack. Once again, failure to produce this form to the Parachute Centre means that you will be unable to jump.
7. Please note that age and weight restrictions apply. Skydive Safety will advise you accordingly when making your booking.
